Minutes:

CHAIR GOYNES declared the Public Hearing open.

PETER LOWENSTEIN, Planning and Development, stated the proposed facility will provide valuable public transportation services for the northwest valley to downtown Las Vegas. Although there is a waiver relative to the streetscape requirements, it is minor and the site is in substantial compliance with Title 19 standards. He read the proposed amendments to Conditions 2 and 6 to which JIM LASHER, Regional Transportation Commission of Southern Nevada, agreed to.

MR. LASHER appeared and indicated that the revised building drawings were submitted on January 6, 2009 and asked for approval.

CHAIR GOYNES declared the Public Hearing closed.
